

ABATE of California is asking for our assistance. Please read details below.

Thanks, Mark Chapman

To all freedom fighters,

Our out of state brothers and sisters may be our most effective resource in fighting the motorcycle smog bill SB 435. As it stands as of this writing, SB 435 has been passed to the Assembly as a SMOG CHECK BILL on the verbal promise to amend but has not yet been fulfilled. It would appear that it may go so far as to include all 3 (smog check, noise, and catalytic converter with random pull over inspection thrown in for good measure).

ABATE of CA is asking all out of state motorcyclists to contact the Chairman of the Assembly Transportation Committee, Mike Eng at phone 916-319-2049 fax 916-319-2149 email

Assemblymember.Eng@asm.ca.gov and

Governor Arnold Schwarzenegger at phone 916-445-2841 fax 916-558-3160 email gov.ca.gov and let them know that if you are going to be at risk of being singled out and pulled over for exhaust system inspections when you come to this state then you will choose another location to spend your vacation dollars, That you urge their no vote on SB 435. This must be completed before June 29th.

Unfortunately many laws of this type start in California and spread to other states, the place to stop it is here and now, then hopefully you won't have to deal with anything like this in your state.

Thank you for your support,

Tim Tennimon

Executive Director

ABATE of California
