I got bad news today. The Governor vetoed SB202 citing the same old crap as the other liar did almost word for word.

I do feel we need to let him know how we feel about this and how we will work very hard to make sure he doesn't get reelected. I guess they forgot chuck graham.

There are a lot of things that just changed in our program and we will need to set up for next year and see which way we can go. The planning meeting will be on Saturday July 11th at 1: pm and I will need your input on how we should proceed next year.
