

FORR[®]
2009 Training Sites

Our Rider Education Classes Are Over For The Season.

This year we had 212 students in our Beginner's Rider Course and 13 students in our Experienced Rider Course.

We would like to thank the instructors, range aides, students, and all that were instrumental in making this year's classes a success.

Please watch this site come January for our upcoming 2010 Class Schedule
