FROM MAC

Did you know according to MoDots information that ...87% of the motorcyclists are killed in aggressive driving crashesThey were the aggressive driver!
Lesson might be you may feel wronged and want to righteously strike back. But is it really worth it.

2017 has come and gone....Everyone's number are coming to a close for the year regarding motorcycles. Any number of those who didn't make it home from a ride sucks. Yet the information is humbling. In 2017 we lost 91 brothers and sister on two wheels. I hope that everyone takes a moment to realize the big picture of that number. That's 91 families that lost someone they love doing what we all love. Riding.....

Yet the hard thought to really put in focus is that the information reports that motorcyclist ourselves are our worst enemy. Number are showing that the biggest cause for accidents is operator error. Hopefully as a organization we can go into 2018 with the fire to encourage and promote more rider education and awareness as a whole. Awareness to focus on promoting us as riders to be more aware of the road. While keeping others informed that we are on the roads as well.

Let go forward holding ourselves accountable and pushing our "Look Twice" program as much as we can. We are all going to have to think outside of our habit of relying on the MoDot supplies. Due to the limitation and think of what we can do in our locals. Any ideas I would love to hear and help pass that information on to other locals. Please send any information to MAC@forr.net

Much love and Ride Safe

2017 – State of the Organization

To start off with I want to say I was honored to serve as chairman of this great organization. I also want to thank the rest of my cabinet, Bob Hawkins, Cheryl Singleton and Lynne Adkins, for their support and help throughout the past two years. You all kept me focused, on track and we all supported each other. I also want to extend thanks to Bill Kempker, BL McDonnell, Shaulene Frock, Terry Cobb, Roy Hoard, Shelly Payne, Amy Allmon, and Doug Clawson for all you all do for this organization. To the new cabinet, Mark Capps, Ken Lewis, Marla Wallace and Glenda Ely, I wish you all the success and good luck for the future of this organization. Let's keep this freedom train on track and focused.

Our membership numbers have slipped but on a good note we have steadily grown this year. We are under two thousand, but it is growing. Some locals have seen a dramatic increase this past year as others have slipped some, but our membership numbers have increased since the first of the year. Brotherhood among locals have grown immensely with the "capture the flag" program, it has been interesting to watch as three locals are vying for the coveted trophy. Good luck to you all.

We have had some success in our awareness and membership programs as many locals have put on awareness booths across the state. We had a very successful MAY Rally and hope that trend continues to grow.

Our rider education program has been self-sustaining as usual again this year and we need more involvement from our membership to take a rider education class. It would be nice to see all our three training sites back up and running again next year. We need to get out and promote rider education and get more involvement from the membership and general public.

Legislatively this year we didn't fair very well again. Hopefully we will have better success this year. We have a helmet modification bill prefiled and there is other legislation that we will need to watch and support. It is going to be a tough fight to get legislation through this year but with the help of the membership and legislative coordinator we can get things moving and have a successful year in 2018.

Finally, I personally want to thank each and everyone of you our members for the continued support of the organization no matter who is leading it. I have enjoyed working with all of you and will continue with that as a member again. I have had a wonderful experience and it was very eye opening. Thank you for allowing me to serve in that capacity as it will be an experience that I will never forget. Let's keep the freedom train on track and chugging along.

With respect for each and every one of you,
Joe Widmer
Outgoing Chairman – Freedom of Road Riders®, Inc.

2018 FEW SEMINAR

At FEW Seminar the organization likes to honor the past years membership that have gave it all to be a positive impact on their local and the organization. We have three ways of doing this during the FEW. The following awards with descriptions nominations are to be made by the membership. Anyone can make a nomination. You are able to do this by a simple email.
FORR FEW AWARDS

1. Power House Award-Submissions are from the Locals themselves and honor those members, both men and women, who go the extra mile to keep the wheels of the Locals turning. This award is a certificate and the letter of submission to the recipient submissions can be directed to shaulenefrock@gmail.com.
2. Young Engineer-This is the equivalent of the Engineer of Freedom Award but is in recognition of members 17 and under who set the standards for the next generation of freedom fighters. This award is a certificate and the letter of submission to the recipient submissions can be directed to shaulenefrock@gmail.com.
3. Full Throttle-In recognition of new members, two years or less, who have hit the ground running in their support of FORR. This award is a certificate and the letter of submission to the recipient submissions can be directed to shaulenefrock@gmail.com.

Engineer of Freedom-Last year we awarded this recognition at the FEW as well as the CC meeting the following day. The process for this special presentation will follow the standard procedure for submission found in the back of the Freedom Press and on FORR.NET. Howdy all,

Rebel here hoping all of you are having a wonderful new year! The weather seems to be behaving at this time - ya know the longer it doesn't do anything the less time it has to be crappy! Eventually Spring will come, no matter what!

Meetings have been doing very well we are still meeting at El Paso at 50 & 131 Hwy in Pittsville. 3rd Sunday at 4PM.

Our past officers are continuing into 2018, as well as we have one "new one". Welcome as our new Road Captain - Bob Turner!!!! We look forward to see where he takes us in 2018. We are going for the Flags!

We are also planning a Lime Run but we have not yet set the date... check for details on you reminders, at a meeting, or the newsletter.

I will have to let you know about the district 4 crock pot cook off as it is just a couple of weeks away. Always so much to sample so bring an appetite.

With the cold weather outside our doors there are still many things to do - so make sure and keep up with all of the "Local stuff" happening around the state. Check your monthly Freedom Press for all of the details.

Well it's time to call this to and end, so as I always say... Have a good one, then have another!

Our election was held at our December meeting with only one position to be voted on. Congrats to Jim "Crash" Norris as our new V.P. Cheryl Singleton, with no opposition, will be our treasurer. Myra Burrow did an outstanding job of being our treasurer for the past several years. She always kept the books perfectly and reports always sent in on time. Thank you, Myra for a job well done. Our president and secretary officers remain the same. President, Casey Singleton. Secretary, Paula Sumerall. Our Christmas dinner was held after the meeting. As always, lots of good food & fellowship. Crash supplied the ham & turkey and Ray "WWR" worked his magic and smoked them to perfection. Good to see all the members and guests who joined us. Always a great time. Gifts were brought for our "Adopt a Family" and donations were collected. Brandon Haney's name was drawn for the attendance incentive and he donated it for the family. After the meeting Brandy & Casey went shopping for gifts. The next day the gifts were wrapped and delivered, where we and our very own biker Santa met the family. Thanks WWR for getting this gig together.

Our New Year Day ride was limited to cages this year. The temp was 7 at noon on our way to meet the rest of our group at Sugarfoot BBQ.

About 15 of us from L-3 met Jennifer & David, Bob & Linda and Don from L-35. Glad u-all were there. Local 35 is hosting a Chili Supper on Feb 3, we are planning on being there and later that evening heading on over to Local 7's Valentine party. Oh FYI! The temp on last years New Year Day ride was 50/28, not bad at all.

A wise ole man once said, "I'll be a bad-ass biker when it warms up!!" You know who you are.

Several other locals are having Valentine parties coming up. Be watching for them to be posted on FB, we hope to get a our crew together and make a few of them like we did last year. We had a blast. Happy Valentines Day to all our FORR brothers & sisters. Deena # 33946

Welcome to 2018!

Would like to start off with thanking Beth for all the hard work she has put in as Newsletter editor! Great job over the years. And thank you for throwing me under the bus to take over your job!

Let's start my first report as a reminder! Winterize your bike!!! We are not in the fun and sunshine anymore. Make sure you check on your tires, battery! and all of your fluids. If you don't take your battery out, go out and start it up once a month for 15- 20 minutes. Just a good idea. WINTERIZE!!!!!!

So even with the cold December month, many members stayed busy. On December 16th, members joined up and escorted trucks with wreaths to Fort Leavenworth National Cemetery in support of Wreaths Across America. If you don't know what this is about; it's to honor our veterans that have past away, or payed the ultimate sacrifice, and place a wreath at their graves. And when doing so, you say their name aloud so they are never forgotten! Then we all had to run off and get back to town for the big Christmas Party! 64 members showed up for the caos! Well done to our great DJ keeping everyone entertained! Great job as always Dan!!!! Great food was brought in by the Local. If you left hungry this year it was your own fault!

Corporate Sponsor - September 2017 / August 2018

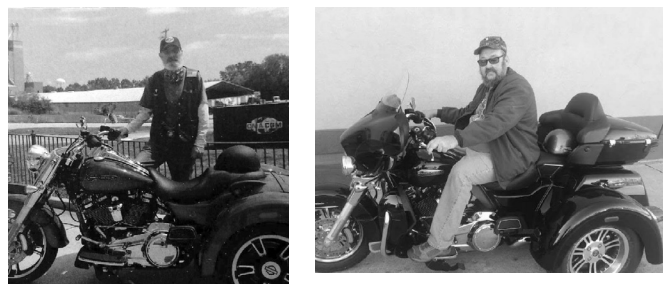

Then for those that survived the Christmas Party, we helped support ABATE of Kansas District 11 with their annual chili feed at the Leavenworth VA Domiciliary. We were able to feed 95 veterans this year. And after everyone got their bellies filled, we had a great time with everyone at Bingo. Veterans were able to pick prizes when they won. And on that note, "Thank you to all of our veterans"

Before we close with this month's news letter, I would like to welcome somebody to the Dark Side. Welcome Big John to the Harley family! John has finally left the Honda trike family, and has come to the Harley trike family. I hear that when the weather gets better he will have an auction to sell off his Honda stuff to afford his new Harley! Alright! That's it! I'm out!

One last reminder. Make sure you send in any change of address so you can be sure to get news letter and any important info on what is going in.

Stay warm. Be safe.

Robin

Remember you are the first person responsible for your safe return home to your family.

Local 11 ended 2017 with a New Year's Eve Party and celebrating our December birthdays at Brandy's house. Thank you for hosting. A great and fun time for sure. Hey everyone! Hope you had a wonderful holiday season. Next is a smaller holiday, but enormous in some folks lives, Valentine's day! Many of us celebrate with Local 30 at their Leather and Lace party. We've been going for years and love it!

On New Years Day we had our annual "Freeze Out" ride. Little did we know that it was going to really be freezing! The temperature was around 10 degrees when we arrived at our final destination, The Cheeky Monkey. When I left at 3pm it was 16 degrees! Six bikes were ridden, by seven brave bikers! No, I wasn't one, but my husband was! There were several other members that came out in our cages. Thank you to everyone that joined us!

As you are putting important events on your calendar for the year, please remember our two Swap Meets. The Spring Swap Meet is April 22nd and the Fall Swap Meet and Bike Show is September 23rd. I promise I will remind you as time gets closer.

Our next BS meeting will be February 6th, at El Largo, 18942 Hwy Business 13, Branson West. I've heard that they have really good Mexican food, but I've never been. As always it starts at 7pm. Hope to see you there!

Our monthly business meetings are still at Lone Star Steakhouse on Green Mountain Drive in Branson, on the 3rd Monday of the month. Come early and have dinner there with us.

That's it for this month. Have fun and I hope to see you soon!
 Lou

Wow! It has been really cold outside. This has started out to be a bone chilling winter. I was thinking that those that ventured out to do their New Year's Day ride would not be riding far if at all if they planned on riding 1 mile for every degree. I know that I will not even think of going out to ride in this weather. Now is a great time to do a complete inspection of your motorcycle and have repairs done on your bike that are needed before spring riding season.

Nothing has happened since last time I sent in a report. The next meeting is planned for Jan 12th. I hope to see a good showing that evening. We will be voting on elected officers for the coming year. I will post the details in the next writing.

Events and meetings planned at this time are:
 Jan. 12th Local meeting at Bill's Place in Biehle. 7pm
 Feb. 10th Local meeting at Whitey's. 6pm
 Feb. 24th Broomstick Pool Tournament at JR's in Cape Girardeau. Sign in starts 1pm. Play begins at 2pm.
 Have a safe and prosperous New Year. Dudely

Hello from the deep freeze of Southeast Missouri

Hope everyone had a wonderful holiday season. Happy birthday and anniversary to those that have or will be celebrating in January and February.

We made it another year and can look forward to what 2018 may hold keeping positive attitude that many great things will happen for all Locals and our organization. Thank you to the previous cabinet and welcome to our new cabinet we look forward to working with you for the next 2 years. Congratulations to Ronda Felts as our new Office Manager we know you will do a great job. Thank you Dallas for all of your years of dedication to our organization you will be missed and you have left some pretty big shoes to fill. Enjoy your retirement.

Our Local will be busy this year starting with our Sierra Osage Dice Run the Saturday before Easter more details will be given as the event gets closer. Rob has put a schedule of events together and we look forward to having a good turn out by the membership after taking last year off. It is time to rebuild the treasury and we are asking members to submit ideas for year round fund raising I have one but it must be approved by the membership before it can be discussed.

For those that enjoy rallies we are kicking around the idea of starting this event back up as our 1 big fund raiser for the year. It takes a lot of work to accomplish such an event and it takes dedication of the membership for it to be successful so if you would like to do this please contact Rob so he can keep track of interest in the event.

That is all of the news from this end of the state so until next time as always.....Keep it Between the Lines

LOCAL 22 - SOUTH CENTRAL**Meetings: 3rd Sunday @ 1 p.m.****Senior Center, West Plains****Contact: BL McDonnell 573-301-7139 or Valerie 573-291-1465****Facebook - Freedom of Road Riders @ Local 22 South Central Missouri**

Dear Brother Sisters and Friends of South Central Local 22,

Boy, this year already feels like it is flying by. We had a interesting Christmas dinner and would like to thank everyone for their contribution to it a memorable one. Yummy in the tummy moments were heard throughout the room, everything was great and very much appreciated. I was able to get Phil's recipe for Key lime pie which take it from me, is most excellent. We did the white elephant exchange which always is a excellent time and almost always good for a laugh or two and this year was no exception. We had several renewals including Greg Huffman and Bruce Wolmack. We also had a few renewals that are cross over members as well. It is an honor that you have chosen to also support FORR while perusing your passions of helping those who can not help themselves in BACA. Welcome back Link and Erin Bowden and Terry Biggers.

BL and I would like to thank everyone who has supported Local 22 and continues too. There is always bumps in the road along the way, it's to be expected. The longer I am around FORR I understand the commitment that has to grow in each member as well as the Local. It is far from a popularity contest, some decisions have to be made and are not always favorable to everyone. Trust me when I say it is never a easy call. We can only hope that others realize it's not done out of malice. Our position is to further our COMMITMENT to all Motorcyclists, personal feelings aside. This has nothing to do with personalities because lets face when you put a group together it does not insure that everyone is going to live happily ever after or that there will be peace in the valley. A person's WILLINGNESS to grow and learn from others is the corner stone to success.

This was a hard pill for me to swallow when I first started in Freedom of Road Riders not because I wasn't willing to learn. I had to much energy and drive with little understanding of the actual action it takes to execute change of any kind. Footnote**I am using myself as an example because it's my story to tell. With that being said, I will finish my thought ☐ I was warned to no avail. That burn out happens when you take on too much. Well of course me being the stubborn person I am, I knew more than those around me. The same people who had been here since the beginning scarified more than anyone can imagine to peruse a dream to teach those in the Motorcycle community about the process and how to use their voice in a productive manner. Rather than sit around complaining about how things needed to change. These people believed that there was more that could be done, with a united group of like minded people. Did I see this point of view, nope of course notI had so much to learn, don't get me wrong I still do. My actions were nothing short of selfish, not to mention arrogant. I took on more than I was ready for. Goodness knows I had been warned but, try telling that to a newbie, see how far it gets you. I was no acception. Thankfully no-one disowned me through all of this, although I'm sure it crossed their minds more than once or twice. The point I'm trying to make is, PATIENCE, stepping a way from the problem to better understand the complete picture although this is not always the easiest things to do. It is not something to just be said, action is what gives it purpose. Weighing the situation before judging it. The key above all is if you do not understand issue being discussed or maybe you just don't agree with how it is being presented. This is begin to use your voice and take stand for what you believe in. Asking questions is the whole reasoning behind our platform. Not all will agree, at all times and that's OK. Ask questions if you don't understand it is part of the learning experience and it is not an option, it is a tool. Everyone

has a better idea on how to make a Local SUCCESSFUL. I would dare say every Local has faced this at one point or the other. The problem in that thought process is you can't run down those who helped to build the foundation, because you may not realize the sacrifices that were made to get that point. This not only hurts the Local with division, but ultimately FORR as a whole. Leading to separation in the Freedom experience. Not one person has all the answers. FORR celebrates the diversity and collective visions, that is what has given us the biggest success. We are the safe place to explore different opinions and offer platform for all Motorcyclists. When we reference ALL MOTORCYCLISTS it doesn't discriminate according whether one wears a winged wheel or any other identifiers. That is not what Freedom of Road Riders was set up to do, ever. EDUCATION is key to our Freedoms and we should not stray away from that concept. We do not want to be judged in a bad light, no-one does. RESPECT is earned not given.

The key to being a proactive member is not popularity or recognition. When all is said and done, the focus MUST be our willingness to help our fellow members to continue to LEARN as we grow. Learning is a process and we are never so knowledgeable that we are above the learning curb. Case in point, laws are ever changing without vigilance by our members accomplished in several different game plans.

First if you are allowed time to go to the Capital do so speak to the Senator and Reps in your area, Freedom of Road Riders is a good introduction to these meetings. Keep in mind they are our employees'. Letter campaigns are also affective, and last but not lease phone calls. If we look at the whole picture our rights are not only infringed on but Freedoms are disappearing. This is why educating and introducing the process to those around us is so important, that is the true mission.

Our Local cabinet for this year remains the same, minus the fact that I will be taking the legislative officer position. This means I get to see everyone at least 6 times this year. Goodness knows, I have missed CC meetings after a year a way. I am excited to see what the new Cabinet has in store for Freedom. They are a great group. Their commitment, dedication and willingness to step into the hardest faction of our organization deserves merit. I was going through some papers and I found Ten Commandment of success. BL had given this to me when I first came into Freedom Of Road Riders. Lessons to live by in my opinion. I wish I could say in all honesty that I have kept to them, but alas I tried. Sometimes I think we all forget to put value not only in our fellow man but to ourselves as well. If it's a behavior we would like to see in others, we must be a example ourselves, because not one man is better than the next... EVER

Until next time

Live your Life to the Fullest,

Valerie McDonnell

Secretary for South Central Local 22

Greetings riders,

Well a new year is upon us and with that comes a blast of cold weather. I hope you all had a pleasant Christmas and New Year's. I admit it was a bit of a shock to have riding weather, albeit a bit cool, the week before Christmas and then wake up to snow and bitter cold on Christmas Eve. It is winter and all that, but going from highs in the 40's to below zero temps in less than 48 hours is still a shock to the system.

We have a meeting in January to elect our officers for the coming year and schedule the meeting for the first half of our Eat & Ride schedule. If you want to express your ideas about where to go next year, that is the place to do it.

I need to apologize for last month's lack of a newsletter. I was out of town for work the first part of the month and didn't get it written. Not that there was a lot to write, we didn't really have a lot going on after the "Toy Run" as the Eat & Rides were over due to the temperatures and, with DST ending, it getting dark at 5:45. I'll try to do better in the future.

I'll leave you on a lighter note: Here is a picture of our oldest member. It was taken 2 weeks before his 93rd birthday. Here is Dave riding his "Hog" through the Osage hills of Oklahoma in November of 2017. His BMW was in the shop having its annual service done so it will be ready for the trips he has planned for 2018.

Until next time, try to keep warm and don't forget to winterize your ride if you haven't already done so.

Safe journeys,

Harold

What a wonderful Christmas!!! Local 29 had the absolutely the most wonderful, grateful, respectful, loving Christmas party and meeting for our December Meeting. We all brought food and the ones that remembered to bring presents brought presents..lol It was so good to see LA at the meeting, and it was also good to see Debbie Martin and her friend Jeff.

I would like to Thank Local 29 for making my Life Time Membership feel so special. It is a very special time in my life, only a few people knows. But I love the plaques and the friendship and family.

Ok, we are starting a New Years... We have 5-something in our local and I don't see that many at our meetings. I believe you need to come to the vfw in Kearney on the 3rd Sunday of the MONTH at 2:00 PM....

Ok also, capital, capital, capital. We can't get anything passed through the capital if we don't go to the capital. Just maybe we can set up carpooling to go.

Remember the FEW Seminar is upon us.

Dear FORR Friends & Family,

I attended the Frosty Balls Ride on new years day and boy, it was just as it advertised, Frosty Balls!!!

This weather is brutal peeps. Be careful and make sure you have plenty of warm clothes/blanket/ice melt/scrapper/etc in your car. If you have car trouble and you have to get out and walk in this stuff you will freeze down in no time. That is my Mother speech for today. The end!! And please dress your kids appropriately.

Ok, moving on. Our next, biggest and best event, is coming up folks. Leather & Lace. We already have donations rolling in. It's going to be the 30th Annual. Hard to believe. Time sure flies. Does anyone remember when it used to be held at Archies?? For once I am almost at a loss for words. Not much going on this month. Which is nice to have some down time. Get out there and get some donations. Get your outfit ready for the best dressed.

See ya all next month!!!

I realize that it gets cold in the winter but this is ridiculous, so whoever pissed off MOTHER NATURE would you please apologize!!! That being said I realize that there is not much going on.

The Local had our meeting on January 4th 2018 at Dino's Diner, that is the first Thursday of the month every month. We had Local 14 as guests and they were there to collect our Local flag. Getting started early? With that part of the meeting taken care of we then proceeded to discuss the local's anniversary supper which we will have at McCorkles on March 24th 2018 at 6pm. Make plans to help us celebrate our anniversary.

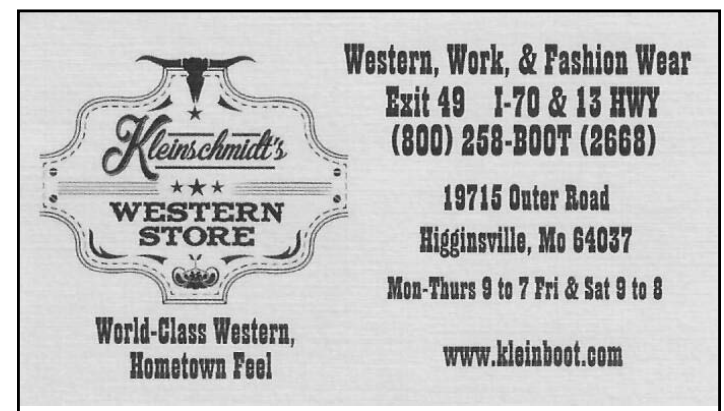

Hope that the holidays were good to you? No one sent me any birthday or anniversary dates but I know of a birthday that happens on March 5th, mine, if you can guess my age I might buy your meal, an anniversary that is on March 20th which is Angie and mine, which is our 20th, yes Pete 20 years!

I have some of the FORR Calendars, contact me if you would like to have one or catch me at the meeting. Hope to see you at a meeting or at the anniversary party so till then ride safe and ride free, later Steve G.

Good day all my freedom loving brothers and sisters. DAMN! was it cold enough for you? What a way to start 2018. First of all congratulations to the new cabinet members. I have known Ken Lewis ever since I joined FORR years ago. He is one of the most honest and caring people I have ever met. Only met Sparky once and don't know Marla or Glenda yet but am looking forward to working with the new Cabinet in the Future.

On a personal note I am mighty thankful to my lovely bride for placing some heated riding gear under the Christmas tree for me. I am not ashamed to admit as I get older the old body cant take the cold like it used to. I also ride veterans funerals for Patriot Guard Riders and need to be available 365 days a year. Tested them out for the first time on a 5 degree day. Wasn't like riding in 80 degrees but it sure made a difference. They certainly get the MF'r seal of approval.

The State Transportation Secretary is Senator Dave Schatz. Sadly he is the Senator for Franklin county where local 42 is located. He has single-handedly kept our legislation from moving forward. Our president Tex has personally been told by Schatz that he doesn't care about what we want. He does not represent the people of this county or this state. He is out only for his own agenda. It is very sad that our politicians have sunk to such low standards. Please feel free to contact Mr. Schatz and ask him to represent " WE the People" . He may be reached at 573-751-3678, e-mail: dave.schatz@senate.mo.gov or on the web at Senate.mo.gov/schatz.

Local 42's Leather and Lace Dance has been moved to April 7th from March 31st as it fell the same weekend as Easter. Please be sure to mark your FORR calendars with the new date. Speaking of the FORR calendar....did anyone happen to notice that BEAUTIFIL black and red Indian motorcycle in the back? Sweet ride huh....one lucky guy. Anyone heading to Daytona in March? I'll see you there. Till next time

Freedom of Road Riders®, (FORR®) is a not-for-profit organization dedicated to promoting safety, rider education, brotherhood, and freedom for all motorcyclists. FORR® membership is made up of motorcyclists from all walks of life, who ride all types of motorcycles and with all sorts of interests. Whether your interests center around legislative activities, motorcycle shows, or motorcycle rallies, FORR® has something to offer to you. You could belong to one of the largest motorcycling related organizations in the State of Missouri, with Local affiliates throughout the State. FORR® is different from most motorcycle organizations in that persons who ride ANY motorcycle or who support our freedom to ride without riding themselves can join. So regardless of whether you ride a Honda or Harley, a moped, dirt bike or an automobile, if you love motorcycling or would like to support the right to ride, you belong in Freedom of Road Riders®.
