Howdy all!

Man, it’s HOT out there. Summer has come on with a vengeance. Hope all of you are finding ways to stay cool... Lately the rain has been coming down... thankfully and is keeping things a bit cooler and the garden is really appreciating it a BUNCH!.

The Local had an awareness booth at our Local Cruize Night here in Holden. Met some new folks. We had a good following that night then went for margaritas after! Hot day, and it ended up with a cool night.

The Lime Run went very well. See a few pictures on this page. HUGE thanks to Bootstrap for making the route a fun one. Only one group got lost – we won’t name names... but hey, somehow, they got there ahead of the rest of the groups! LUCKY. Great place in Montrose – the folks were great to us – thank them for that.

Our final farewell to our brother Harley on June 22nd in Lowry city. There are a few pictures of the day to the right. Many showed and it was great to meet some new friends – Pappy from Local 3. He was an old friend of Harley’s. Again, excellent food and better company. Our district will be renaming our annual toy run on behalf of Harley.

Our August meeting will be at the ‘NEW’ Grand River Grill 201 S. Main in Urich, MO @ 1PM. We will be going there after the teardown from the Show-Me Rally on Sunday. (same place as the Lumber Yard) Hope to see some of you there. Or if you want to help out a bit we would sure appreciate the help on the teardown. There is always sooo much to do on Sunday.

So many things to do and so little time to do them... better get going! There is always an event going on – so check them out.

So, as I always say... have a good one, then have another.

See ya, *Michelle ‘Rebel’ O’Connor #7157*

The Celebration of Life for our Brother Harley Rhoades in Lowry City June 22nd. Great turnout! Lots of good food and even better stories! Thanks to all that could share the day with us...

Welcome to the dawg days of Missouri Summer, Local 10 has been doing many rides in and outside of FORR. But the Freedom train isn't stopping there...

I know you are wondering what on earth could she possibly mean, the session is out. Yes, that is true but right now is the most crucial what happens in the next 4 months can radically change things. Your party does not matter what matters is that we treat one another with kindness....Oh, I can hear the grumbles now. This country is based on what was important to our founding Fathers. So, personal feelings aside we all want what's best but rather than debate who is right and who is wrong. I would urge you to use that energy to do some good in and outside of FORR.

We promote Brotherhood and Safety that can't be achieved without a certain amount of dedication for that I say thank you, for the difference you are making by being a member of Freedom of Road Riders.

Greetings from down here in the southwest corner.

This year is truly flying past us. Here we are making plans to attend the Show-Me Rally at the end of this month. We always love this event and look forward to spending time together and letting go of the routine adult status. Then gearing up to attend this year's Firecracker Classic for the first time. As some of the membership will be attending the Meeting of the Minds in St Louis.

As I am writing this, we are gearing up for our Annual Christmas in July food drive in a few days. It is always a humbling event to give back to our community. Seeing the generosity of others to lend a helping hand. Along with drawing for the two winners of the ½ hog giveaway.

Members also helped support promoting the organization and awareness working of the Ozark empire fair in Springfield. Thank you to all the members from Local 11 that were able to attend. Along with the other locals that helped support the purpose of spreading the word. Not only to those who ride. But to the general public as well.

I know that often we brag as a local about the bond that we have together. We are fortunate, unlike others, to be blessed with many people that have come together with a common interest for motorcycles. Yet that is only the foundation for a bonded local. Something that people have an interest in being a part of and putting forth the effort to participate. We truly believe that life is "Family, Work, and FORR" as priorities. So, we encourage you to attend events when life allows. An invite is never needed to bring someone along for the ride. Creating memories and being together supporting each other is what builds the bond to achieving true brotherhood/sisterhood. So, join events when you are able. Step away from your worries and join a ride. Pick up the phone to call a brother/sister when you need someone to talk to. Knock on our doors in time of need. Never hesitate to put yourself in the middle of the group. Because that is where you belong when you are a member of Local 11.

Last but sure not least. Celebrating our members. Happy birthday Mrs. Leah Hughes!! Hope you have a blessed day!!

May the wind always be at your back. Lots of Love to all of you!!

Hello FORR. Boy, this summer is flying by.

We would like to thank everyone who came out to support the return of the WONDER RUN, it seems everyone had a blast.

Do not forget that 13 is hosting the Car /Bike/Truck show this year for our local SOYBEAN FESTIVAL being held on Aug 24 here in Mexico.

We would like to Welcome Kim Hall and Tammy Gates as new members to local 13. And a big welcome back to the FRAMILY to Lynne Thompson for coming back to FORR and choosing 13 as her new home.

Back in June, with proceeds from the Veterans Cruise and Car show, 13 hosted a pizza party at the VA Home here. Well during the planning, we also found out that day was the same as members Bill & Kay Weldon's 50th anniversary.

So, we changed gears and added a cake to help them celebrate. After the car show, 13 is taking time off from events to prepare for our toy run, this year it will be held on November 9th.

Well, that is pretty much it for this episode of HOW 13 TURNS, catch you all next month until then, ride safe and often. **Stampede, L-13**

Not a whole lot has changed on the local level in the last month. We had a good turnout at the last meeting, including one guest who came to see what FORR is all about & we hope to see “The return of the Wolfman”. Our condolences and thoughts go out to Cathy for the passing of her father. As we are all getting older, most of us can, unfortunately, sympathize with her. Although she was unable to attend, Kevin was there, and brought a couple of different styles of really cool key chains that Cathy had made. We did make a decision on the band for the annual Christmas Dance – George’s son’s band “MoDean” will be kicking out the jams, and who knows, maybe George will sit in with them for a tune or two. At this time, we have a couple of more giveaway & auction items for the evening, and I am sure there will be more as we get closer to the event. George has secured the long gun for the give-away but he was unable to attend the meeting and I do not have that information at this time. Nevertheless, confidence is high that it will be a primo shooter. Doug & Lisa were off on another vacation, so we don’t have any new info on the quilt giveaway. We also decided to step up the ante for the Meeting of the Minds auction items as well as donations to FORR in general.

Even though we are only about three months away from the Presidential election, I’m still not going to climb up on the soap box yet. I will however say that both of the candidates (at this time) have been President, and their respective records are clear to see - that is if you choose to believe your own eyes, or choose to believe what they tell you, or choose to believe what the media tells you. Personally, I’ve already cast my vote and I am quite certain that a majority of you already have too.

Dang, that sure was an awful lot of writing for things that didn’t change a whole since the last meeting.

At this time, Local 16 meetings start 7pm at the West End Tavern in Frohna on the 4th Friday of each month. As usual, it might not hurt to call ahead to confirm.

With respect to all,

Martin Lee King of Pocahontas

Greetings from Local 24!

I hope that this submission finds everyone happy, safe, and healthy. We missed last month’s submission, so let me catch you up on what’s been happening.

Our meetings are temporarily moved to Acapulco’s Restaurant on St. Charles Rock Rd. until we find a better more centralized place. We had our 36th Annual Blessing of the Bikes and couldn’t have asked for a more gorgeous day. We’ve been setting up awareness booths on bike night at Johnny’s Hideout. We had our Mystery ride, which was a bust, but we do have Redneck Biker Golf coming up on August 17th. We hope to see lots of faces for that. We are in the works of planning more to hopefully bring in more members. Kerri and I are powerhouses when we put our minds together. (Continued)

(Local 24 Continued) Thank you to all our members who have stayed with us. WE WILL survive! (Insert random singing here )

Be safe out there,

Hello Motorcycle Lovers

We are currently celebrating the 4th of July 2024, what am I doing: Nothing. The Buckhorn Blast is on Saturday the 6th. Of course, by the time you read this it will be over. I hope I enjoyed the Hot Dogs, chips, and other holiday foods along with soda or beer. I am counting on the fact that the Fireworks were as good as they always are. You might get some pictures to look at in the next Freedom Press.

Well, the USO ride went just fine. There were 74 bikes involved and I can't remember the number of people but there was a bunch of them. The Post Commander sent his representative along with the Mayors of Waynesville and St Robert: check out the pictures included with this article. We raised \$3400 dollars for the soldiers, families and friends. We want to thank the CVMA, CMA, American Legion Riders, FORR and the Local Hog Chapter for the support of this outstanding cause.

I am not exactly sure what the rest of the summer is going to bring but I hope to put some asphalt or cement under my wheels and a little sunshine in my heart. Let's all remember to ride safely and responsibly.

History Time: July 2, 1881 - President James A. Garfield was shot and mortally wounded as he entered a railway station in Washington, D.C. He died on September 19th. July 4, 1882 - The "Last Great Buffalo Hunt" began on Indian reservation lands near Hettinger, North Dakota as 2,000 Teton Sioux Indians in full hunting regalia killed about 5,000 buffalo. By this time, most of the estimated 60-75 million buffalo in America had been killed by white hunters who usually took the hides and left the meat to rot. By 1883, the last of the free-ranging buffalo were gone. July 31, 1776 - During the American Revolution, Francis Salvador became the first Jew to die in the conflict. He had also been the first Jew elected to office in Colonial America, voted a member of the South Carolina Provincial Congress in January 1775.

Thank our Veterans, 1st Responders and Medical Personnel for their sacrifices. Let us never forget those that gave it all! Keep the wind and sun to your back, both wheels on the ground and God as your co-pilot. God Bless the USA.

Well, by the time this goes to print our Memorial Poker Run, Father's Day, and Independence Day will have come to past. We had a pretty good turnout for the poker run, 16 riders. Winners were High Hand; Jeff Scarlett and Low Hand; Jeff Phelps. Thanks to the winners and all participants for coming. We do have some memory patches for some of the people that passed away in the past and were on the list.

We have some sad news to report. Kat Williams of Local 29 passed away Wednesday, the 19th of June. She will be missed by many.

We have some exciting news! We have found a new meeting place! Squirrely's Bar and Grill at 4545 N. Brighton Ave., KCMO 64117! They sell food so everyone can have a bite to eat before or after the meetings.

We still have tickets for the Pool Cue giveaway. If you want some email me at shellyrb1964@yahoo.com or call me at 816-209-5538.

Everyone please be careful out there while riding. watch out for leaves and grass clippings in the roadways.

Until next time. See ya when I see ya. Be Safe.

Hey Y'all! Hope everyone is enjoying the warm weather & are able to get out and ride.

So many great things are happening with L30. We have a new home for our meetings. We will have a 1st meeting at the Barnhouse in August. You can find more info about that on our FB page.

We've already started planning for Leather and Lace 2025! Check out the flyer for it while you are looking up the meeting info.

In June, L30 jumped on our bikes and went and supported L15 at their Cruisin' into Summer event. It was a great-time and we captured their flag.

L30 and a few other locals will be setting up a tent at the Ozarks Empire Fair this year at the end of July. Come out and see us.

Lots of great things are happening. We are hard at work rebranding L30. Hope y'all will come join us at a meeting and support as we rebuild.

Ride on and stay safe ~ **Bougie**

Hello Freedom Fighters!

As I type this letter, I have come to realize that trying to have a meeting on a holiday and also change the time just doesn't work. So, I guess that I will get in touch with local members and inform them about our tickets for our giveaway. While I am commenting about that, the Local has decided to have a giveaway. I will have tickets at the CC meeting in July. Sorry if this got to you late. With that being said first place prize is \$250, second. is \$100 just with a \$5 donation. Only 250 tickets are available. The drawing date is the First of October, you do not need to be present to win. Good Luck!

One of our members has become a Grandpa, and one is home from an extended hospital stay. Hope that all are doing well.

With all the rain that has been falling PLEASE be careful with the chat and gravel that has been washed out on to the roads. Hope that you didn't get caught in any of the storms.

Next Major Event is the Show-Me Rally, hope to see you there!

RIDE SAFE and RIDE FREE!

Less Money In More Money Out

Late last month, the Congressional Budget Office (CBO) released its projections on spending and revenue for government programs over the next decade. Included in the report was the financial outlook for the Highway Trust Fund. The Highway Trust Fund is the main source of money used to fund government surface transportation and infrastructure projects. The money in the Highway Trust Fund comes through federal fuel taxes collected on every gallon of gasoline or diesel sold in the U.S.

It is a simple idea, those who use the roads help pay for the roads when they fill up their gas tanks. Unfortunately, the funding system is starting to break down, threatening the ability to maintain our roads, bridges, and infrastructure.

The recent CBO projections show an almost \$300 billion shortfall over the next decade. One of the main reasons for the shortfall is that these projections factor in recent emission rules, expected to go into effect over the next 10 years. These rules are intended to push more electric vehicles onto the roads and reducing demand for gasoline by one-third. Less gasoline sold means less revenue for the Highway Trust Fund. Mix that with the increased cost of building and maintaining our transportation network and a storm is brewing.

This funding deficit is another example of the unintended consequences of the attack on the internal combustion engine. At some point, lawmakers will be forced to address the funding gap. Rest assured, when that happens, the Motorcycle Riders Foundation will be there. The MRF will fight to ensure bikers receive fair treatment and our rights defended, regardless of the fix proposed by Congress.

Hey all you Freedom Lovers,
 There was a second Life Celebration for Harley Rhoades on June 22nd, this time it was down in Lowery City. There were almost as many people at this one as there was at the first one. I know I said it before but Harley sure knew a lot of people and I know that his family appreciated everyone coming out and showing their love for our Brother. He will be missed. At the last District 4 meeting we were talking about the Toy Run and the insurance issue and about not advertising it as a Freedom event. It was suggested that we change the name to the Harley Rhoades Memorial Toy Run and all agreed. It will still be the first Sunday in November, still start at the Local 5 VFW, and still end at the Sunshine Center but we just won't advertise it as a Freedom event. Harley's brothers were very honored that we would do that for him so look for the new flyer to come out around October.

We are working on getting the sign-in booth moved onto the new trailer in time for the Show-Me Motorcycle Rally coming up this month in Urich. I have new tires ordered and will have to build a platform to move the building onto. I'm hoping that when the call goes out for help enough showed up. Not sure if we will be able to add all the tent stuff to it by then but we will try. So if you are at the rally be sure to check it out.

We are still working on plans for District 4 Octoberfest on the 4th, 5th & 6th of October in Grain Valley. Hope to see you there.

I am sitting here on the 4th of July writing this and listening to all the explosions outside. After watching what I could of the presidential debate it made me think that this great nation of ours is in serious trouble if these two guys are the best we can come up with to run it. I think the Democratic Party is now scrambling to come up with someone new to represent them in the election. So whatever you do please be careful out there and watch out for yourself and those around you. Keep your family and friends safe and make sure everyone you know gets out and votes. Hopefully things will get better after November if we can survive that long.

Keep Pushin On,
